Document / Policy / Paragraph:

Local Plan: Policy STRAT7:Land at Chalgrove Airfield

Do you consider the Local Plan and supporting documents:

(1) are legally compliant

Yes No Don't know

(2) are sound

Yes No Don't know

(3) comply with the Duty to Cooperate

Yes No Don't know

Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

I am 11 years old and enjoy living in [redacted]. I have been brought up here and attended our village school. I do not agree with the development of 3000 houses on [redacted] airfield. I think the development will ruin our countryside and the vital habitat of our wildlife. Where will all the wildlife go? What do you think they would say to you? The airfield provides an important green space for animals that should be heard, and taken into account for this is their home too.

The airfield forms an essential part of the setting to [redacted] battlefield and should not be destroyed. I enjoy our village way of life and do not want to live in a town. I believe I should be heard as I represent the future generation of our village.

As well as all of these problems there will be much more to follow. Increased pollution will impact on the catastrophic global warming that is happening at this very moment. We need to be reducing car emissions to protect our planet. This development will mean thousands of extra cars on our roads, which just won't be able to cope.

Be honest with yourself: Do you truly believe this is a good idea? I think not.

(Continue on page 4 if necessary)

Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination).

It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

Chalgrove Airfield should be **removed** from the local plan.

Yes No
