Document / Policy / Paragraph: Local Plan 2023

Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?			X	
are sound?		X		
comply with the Duty to Co-operate?		X		

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

There has been very little public awareness by SODC. Local and adjoining communities have only been made aware by those who strongly object and have started campaigning against the SODC Local Plan 2034. There has been little or no SODC public awareness of the plan in the media or by way of public address in the local and adjoining communities.

Having only now reviewed the scheme there is no valid reason for building on the Green Belt when there is other designated (non Green Belt) land available for development, hence SODC not revealing to the general public its real intentions and with this being the start of the SODC policy and if it is adamant to see this Local Plan 2023 implemented then it will discard valid and legal concerns in order to get it implemented as there is no return route once implemented.

Q8. Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

Removal of any proposed development of Green Belt Land

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

Yes

Q11. Would you like to comment on another policy or paragraph?

No
