Document / Policy / Paragraph:

Do you consider the Local Plan and supporting documents:

(1) are legally compliant Yes No Don't know

(2) are sound Yes No Don't know

(3) comply with the Duty to Cooperate Yes No Don't know

Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

We do not need 3,500 houses on the Greenbelt in Culham. This is Best and most Versatile Agricultural Land. The protection of the Greenbelt was strengthened in July 2018 and there are No Exceptional Circumstances as far as Culham is concerned. Culham Science Centre is not a major employment centre and Culham Station and the Brunel Overbridge are Grade II*listed. Very few trains stop there and it is not suitable for conversion. CPRE agree to this. We also do not need another town one mile away from Abingdon.

Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination).

It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

The best outcome would be if Culham STRAT9 was removed from the LOCAL PLAN.

Please see page 4

(Continue on page 4 if necessary)

Would you like to participate at the oral part of the examination, which takes place as part of the examination process? *

No

* **Please note:** the inspector will determine the most appropriate procedure to hear those who have indicated that they wish to participate at the public hearing.

Sharing your personal details

All comments will be submitted in full to the Secretary of State alongside a submission version of the Local Plan. The Secretary of State will appoint an independent planning inspector, who will carry out an examination of the plan.

Your name, contact details and comments will also be shared with the planning inspector and a programme officer, who will act as a point of contact between the council, inspector and respondents. This means that you will be contacted by the programme officer (and where necessary the council) with updates on the Local Plan. This is required by Regulation 22 of the Town and Country Planning (Local Planning) (England) Regulations 2012 and Section 20 of the Planning and Compulsory Purchase Act 2004.

We have received assurance that the data passed to the planning inspector and programme officer will be kept securely and not used for any other purpose. The inspector and programme officer will retain the data up to six months after the plan has been adopted. South Oxfordshire District Council will hold the data for six years after the plan has been adopted.

Comments submitted by individuals will be published on our website alongside their name only. No other contact details will be published. Further comment: Please use this space to provide further comment on the relevant questions in this form. **You must state which question your comment relates to.**

Greenbelt Land is there so we can grow our own food in Britain, to curb pollution and to enjoy the countryside. There is too much traffic on the very busy A415, especially at peak times. Furthermore the proposed development would be isolated on an island if ever a flood occurred as it is surrounded on three sides by the river Thames. The causeway near Abingdon build in 1400 is proof of that.
