Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

No consultation has taken place for the part that involves Sandhills and no site specific inspection has happened. The Parish council only found out by accident. This area is not only green belt but also an Area of outstanding natural beauty. This area does not need to be built on to reach targets. To build on an area of natural beauty there should be exceptional circumstances. There is none. Sandhills was an add on to the original plan.

NFPF91- walking and cycling will not be enhanced. This development would damage this for the area. This field is used by many walkers including myself and family as they grow.

Npfp108- an extra 300 cars in Sandhills would be a nightmare. The school already has police checking parking etc, so that children are safe.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q11. Would you like to comment on another policy or paragraph?

No
