Document / Policy / Paragraph: STRAT 11

Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?		X		
are sound?		X		
comply with the Duty to Co-operate?		X		

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

I do not consider it to be sound as it contradicts previous findings of SODC. Previous surveys showed that nothing like the quantity of houses now proposed would be required. Also, the case for encroaching on the green belt, which is subject to severe restrictions simply has not been made.

Q8. Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

Refers to previous surveys for housing need and don't build more than are required

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q11. Would you like to comment on another policy or paragraph?

Yes

Q13. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?		X		
are sound?		X		
comply with the Duty to Co-operate?		X		

Q14. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

I consider the proposed route for the expressway to be unsound as it appears to be chosen for the specific purpose of facilitating the proposed housing expansion in the areas as previously discussed in Strat 11

Q15. Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

The route for the expressway and the housing expansion should be discussed together so that one does not automatically define the position of the other.

Q17. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q18. Would you like to comment on another policy or paragraph?

No
