Q5. For comments on the Local Plan, please provide the paragraph or policy to which your comments relates. You can view a list of policies here. If you wish to comment on one of the evidence documents or the policies maps, please state the document title as well as the paragraph or policy reference.

Document / Policy / Paragraph: section 13

Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?	X			
are sound?		X		
comply with the Duty to Co-operate?	X			

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

Breaching the Green Belt in this area of outstanding natural beauty, when other more suitable development sites are available, is not sound. National housing policy requires councils to release GreenBelt land only after the exploration of all other options & if no other appropriate land is available. Furthermore the appalling impact on an already congested, gridlocked traffic situation, about to be compounded by the Swan School, means that this is astonishingly unsound and environmentally disastrous.

Q8. Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

Only by using an alternative site can the plan be made sound. What is proposed will be disastrous for the environment and local communities.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q11. Would you like to comment on another policy or paragraph?

No
