Subject: South Oxfordshire Local Plan 2034

With respect to the proposed inclusion of the Northfield housing site in the above Plan, which I do not find legally compliant or sound, I strongly object to this development. I wish the villages of Garsington and Horspath, to remain as they are at present, and not to become joined/affected by other proposed developments, which would link them to Cowley

Kindly add my details to the database for receiving further information about the Local Plan 2034. Also please acknowledge this response to the Plan, by SODC.

Mrs Mary Biggs
