Document / Policy / Paragraph: Strat7 - Land at Chalgrove Airfield

Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?			X	
are sound?			X	
comply with the Duty to Co-operate?		X		

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

The previous version of the Local Plan was not voted through by SODC due to the non-soundness of the content. The primary concern was the doubt surrounding the deliverability of Chalgrove Airfield. The new version of the Local Plan has incorporated other more suitable strategic sites, such as Grenoble Road and Northfields which is to be applauded BUT why is Chalgrove Airfield still included? Including Chalgrove Airfield once again means that the Plan is still destined to fail in the test of soundness since the deliverability challenges still prevail.
