Document / Policy / Paragraph: Policy STRAT11: Land South of Grenoble Road

Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?		X		
are sound?		X		
comply with the Duty to Co-operate?		X		

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

I do not believe that proper consultation has taken place on this new plan, which is very different to agreed plan in 2017. 70 dwellings per hectare is unreasonably high for such a development.

The exceptional circumstances to remove the Grenoble Road site from the Green Belt is based on an assessment of housing needs in the City which is unproven.

The Plan is not sound and does not comply with the duty to co-operate because it has not been based on good evidence, produced co-operatively with other agencies or with enough consideration of transport and sustainability of the local environment.

I believe that the Green Belt land South of Grenoble Road should be taken out of this Local Plan 2034 as I feel that this is a significant loss to the Parish, the City and the County.

Q8. Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

There are inadequate plans to improve the infrastructure to support this development, it would have a severe impact on Sandford and Littlemore.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q11. Would you like to comment on another policy or paragraph?

No
