## Part B - your comments

Q5. For comments on the Local Plan, please provide the paragraph or policy to which your comments relates. You can view a list of policies here. If you wish to comment on one of the evidence documents or the policies maps, please state the document title as well as the paragraph or policy reference.

Document / Policy / Paragraph: STRAT13

Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?			X	
are sound?		X		
comply with the Duty to Co-operate?		X		

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

The area in question is within greenbelt and should not be used. The proposal clearly represents urban sprawl. Also there are many other brown filed sites that have not been considered. This is clearly a plan to start the destruction of the green belt. there is an area south of Sandhills that has just appeared on the plan and there has been no consultation on this in the past. The proposal to also build a link road to the A40 is unclear and will further destroy green belt and help towards air pollution

Q8. Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

All areas of Green Belt should be removed until all other sites have been considered this forms part of the nation planning policy

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

Yes

Q11. Would you like to comment on another policy or paragraph?

No
