comply with the Duty to Co-operate?		X		

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

It does not comply with the Government's National Policy regarding the protection of Green Belt, a policy which was reinforced in 2018, and as such the Green Belt should not be sacrificed to enable this many houses to be built in an area of beauty, destroying the two communities of Culham and Clifton Hampden.

Q8. Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

Reduce the number of houses to be built.

Stop the plan to build further houses to met Oxford's inability to meet the demand.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No
