If you wish to comment on one of the evidence documents or the policies maps, please state the document title as well as the paragraph or policy reference.

Document / Policy / Paragraph: Local Plan 2034

Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?		X		
are sound?		X		
comply with the Duty to Co-operate?			X	

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

There are no exceptional circumstances given as to why the Grenoble Road element of the Green Belt needs to be built on.

The estimates for the numbers of additional houses to be built are not sound and there is insufficient evidence that the Oxford housing need figures which SODC is taking on have been properly evaluated. An SODC plan was consulted on previously which expressly excluded Grenoble Road Green belt area from the areas for housebuilding but now it has been included with no consultation with or justification to members of the public

Q8. Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

Remove Grenoble Road Green belt area from proposed areas for housing development.
Reduce the extent of the growth in housing levels to one which can be met without irrevocably altering the nature of South Oxfordshire.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

Yes

Q11. Would you like to comment on another policy or paragraph?

No
