Document / Policy / Paragraph: STRAT1

Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?		X		
are sound?		X		
comply with the Duty to Co-operate?		X		

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

The number of proposed houses exceeds the number previously agreed. Further, we do not have the infrastructure to accommodate additional houses. ■■■ local school, Hendreds Primary, is annual holding discussions about class sizes and is turning local families away because they're at capacity. Unless developers are compelled to build schools and welfare infrastructure on their development sites, the local economy cannot cope.

Q8. Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

We need to protect local communities and ensure green belt land is left undeveloped for the future. The impact on wildlife and pollution needs to be considered and a maximum cap on development imposed.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

Yes

Q11. Would you like to comment on another policy or paragraph?

No
