Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?		X		
are sound?		X		
comply with the Duty to Co-operate?		X		

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

I don't consider this to be sound.
I don't believe this is the right location
I do not trust the people who are trying to build here.
There seems to of been a lot of lies.
They are ignoring Martin baker
I do not believe the money they are proposing for infrastructure is enough either.
The state of our roads Abd you want to add another 5-10k cars in this area is ridiculous. These roads are already a deaf trap with the pot holes .

Q8. Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

Do not build on the air field.
This will not benifet the area or oxford as they have advised.
There are better locations for this number if housing.
You are building enough houses to make us in to a town and we do not want to live in a town .
This would kill our village.
We have been Abd stil are more then accommodating making our village bigger with builds continuing around us.
But this airfield proposal is ridiculous and unnecessary as it will not help local people and would be unaffordable.
It's about back hangers and making money.
You should be ashamed if you have voted for this

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q11. Would you like to comment on another policy or paragraph?

No
