Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?	X			
are sound?			X	
comply with the Duty to Co-operate?	X			

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

The Plan in its present state may not be sound as  
(a) its proposals in respect of Goring are premature due to the Neighbourhood Plan process (including the findings of the independent examination) not yet being complete  
(b) there is no indication of the degree to which special factors which the proposals acknowledge are significant - specifically AONB and flood plain - may influence the capacity of Goring to meet the generalised target of 15% additional housing which it assumed Large Villages can meet.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q11. Would you like to comment on another policy or paragraph?

No
