Individual response to SODC Planning about the Local Plan 2034 With ref to "STRAT 12 Northfield"

In response to your proposal, I'm very upset by this, as it would spoil the village life that I have known for the last 60 years. We also have not got the infrastructure to cope with all the extra houses and cars on our small narrow roads, that this would entail. We also do not find the local plan 2034 legally compliant and sound, we do not know if it complies with the Duty to Cooperate, as that is of no relevance here. I would like to participate in any oral hearings part of the legal Examination in Public in the summer. I would also like to be added to the database for receiving further information about the local plan 2034. Please could you acknowledge my response, from SODC I object strongly to the inclusion of the Northfields housing site in the local plan 2034, and am very annoyed that we weren't consulted earlier about the development of this local plan.

I came to live this village from the urban area of Cowley to escape the sprawl of houses and shops. I do not want Horspath to be spoilt, at the moment, we have lovely views over these hills which will be obliterated by housing.

I wish for Northfield to be taken out of this local plan 2034  
Yours sincerely Mrs J Clements
