Q6. Do you consider the Local Plan and supporting documents:

| | Yes | No | Don't know | Not answered (OPTION HIDDEN FROM LIVE SURVEY) |
|-------------------------------------|-----|----|------------|---|
| are legally compliant? | | X | | |
| are sound? | | X | | |
| comply with the Duty to Co-operate? | | X | | |

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

Proper consultation under Regulation 18 has not taken place.
The "exceptional circumstances" to remove the Grenoble Road site from the Green belt is based on an assessment of housing needs in the city which is unproven.

It has not been based on good evidence produced cooperatively with other agencies (Highways England, Highways Department of OCC) or with enough consideration of transport and sustainability of the local environment.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q11. Would you like to comment on another policy or paragraph?

No
