Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

The need for housing in Oxford seems to be over stated and the homeless and social housing is more of importance than the houses proposed who no one on an average wage can afford.

The infrastructure in the area cannot cope at the moment and with Barton Park not yet finished we still do not know how much of an impact that will have. Greenroad roundabout is not a performing section of the highway and all the traffic backs up into Barton.

The eco issues of Badgers not been re homed and looked after is a grave concern. As too is Sydlings copse will be decimated with the new homes and all the domestic pets that will ruin its natural habitat.

I believe that this proposal is too alleviate the London issues of housing and its been forced on us with out a care to the green belt land it sits on.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

Yes

Q11. Would you like to comment on another policy or paragraph?

No
