H3 – Housing in Henley-o-T, Thame & Wallingford

(2) are sound

(3) comply with the Duty to Cooperate

Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

Para 5.13 States “each town **must** provide allocations to meet the requirements in Policy H3” Policy H3 states “A housing requirement of 3,873 homes will be **collectively delivered** in the towns of Henley-on-Thames, Thame and Wallingford as follows:” Table 5d shows that Wallingford has significantly over-delivered the number of homes it would have been expected to deliver by 361, so the number remaining to be delivered collectively is 158.

Insufficient weight is given to Para 5.16 which recognises that various factors may effect a town's capacity to support a higher or lower number than that provided in table 5d: Provision of homes at the market towns, especially as the Sustainability Appraisal Addendum 2019¹ recognises that “Council’s Air Quality Annual Status Report (ASR) notes that exceedances of the annual mean concentration objective (40 µg NO₂/m³) have been recorded during 2017 in all three declared AQMAs (Wallingford & Henley-on-Thames are two of these) and also in other areas of the district on 10 occasions, 3 more than last year.” These other areas included “Thame, Chinnor and areas near the M40” which “have suffered significant increases in NO₂ levels, suggesting the potential need for new AQMAs in the district.”

Policy H3. Text in Point 1 does not reflect what is shown in table 5d.

Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination).

It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

Policy H3 should be amended to recognise over-delivery and total number of outstanding requirements reduced accordingly for Thame & Henley-on-Thames,

Point 1. To reflect what is shown in table 5d: Provision of homes at Market Towns, the following is needed.

- iii) Wallingford: 1,070 homes with 0 remaining to be allocated through a Neighbourhood Development Plan
