### SEE ALSO OUR RESPONSE TO STRAT 6 GREEN BELT

Referred to in the text but not as a site allocation is the proposed release of Green Belt land (which is also green field) on the South side of London Road Wheatley for the Wheatley Neighbourhood Plan. It is relevant that a proposal very similar to this was rejected by the Inspector examining the present adopted Plan when he considered amongst other things that it would lead to coalescence of settlements.

It is not clear at this point whether this is simply to flag up that the Local Authority would not object to the emerging local Plan wishing to make a minor detailed amendment to the existing Green Belt boundary in line with para 136 – which to be “detailed” would clearly need to be very small in scale indeed, or whether the Council is in effect releasing a larger – albeit unquantified area – for the NDP to provide numbers for.

It is relevant that the October 2017 version of the Local Plan prior to the amended NPPF contained a release of approximately 20 hectares – sufficient for 1,000 houses – to support Wheatley’s Neighbourhood Plan. Wheatley has 1600 households presently so the amount of land proposed to be released would have allowed a Green Belt extension equivalent to 60% of the present settlement and could not by any stretch of the imagination be considered the “detailed amendment” to the Green Belt boundaries envisaged in the new NPPF.

The Inspector is asked to make it clear that either this release should be a site allocation with housing numbers in the Plan or, if left to the NDP, it is superfluous as the NPPF in any case allows a very minor adjustment to Wheatley’s existing inset, although not the 20 hectares envisaged in the aborted October 2017 Plan.

(Continue on page 4 if necessary)

Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination).

It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

With regards to Wheatley Neighbourhood Plan, the Inspector is asked to make it clear that either this release should be a site allocation with housing numbers in the Plan or, if left to the NDP, it is superfluous as the NPPF in any case allows a very minor adjustment to Wheatley's existing inset, although not the 20 hectares envisaged in the aborted October 2017 Plan.
