Do you consider the Local Plan and supporting documents:

(1) are legally compliant

Yes

No

Don't know

(2) are sound

Yes

No

(3) comply with the Duty to Cooperate

Yes

No

Don't know

Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

Paragraph 5.12 recognises that “the overall level of development required to support the existing and future needs of South Oxfordshire, and a proportion to assist Oxford City in meeting its commitments of the Growth Deal amounts to 22,775 new homes” whilst the policies and strategic sites are expected to deliver nearly 6,000 more homes than this in the planning period, with an additional 4,000+ expected to be delivered after the planning period.

We believe that this paragraph suggests that the council expects sites to fail or be undeliverable, and has been developed only to meet deadlines for the Growth Deal.

This “flexibility” is unsound, as it will allow developers to cherry pick sites and thus the council will lose any strategic control, and much needed infrastructure may not be delivered in the places it is required.

(Continue on page 4 if necessary)

Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination).

It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

Housing numbers & strategic sites should be reduced to reflect the true need, so that the Council retains strategic control of development and infrastructure projects receive appropriate developer funding.
