Individual Response to SODC Planning about the Local Plan 2034

Peter & Linda Cranston

6th February 2019

Dear Sir or madam,

With reference to STRAT 12 Northfield.

I am writing to express my strongest objection to the building of the Northfield Housing development on the Green Belt Land which divides Horspath from Cowley and Garsington.

I chose to live in Horspath and raise my family in a village environment separated from the city of Oxford. Prior to moving to the village 20 years ago, I lived in Cowley for over 10 years and have never regretted the move to the rural 'green' village environment. I cherish the beautiful views over the green belt area and am a regular user of the walks available. This sadly will all be lost forever if the proposal goes ahead.

As a villager directly affected by any such development proposal, can you inform me why I have never been consulted about this plan. The current surrounding road system struggles to cope with the traffic demand and any increase in the local traffic volume will result in major problems.

I expect this letter to be logged as an objection to the proposal and look forward to your reply,

Regards,

Peter Cranston.

Linda Cranston
