Q5. For comments on the Local Plan, please provide the paragraph or policy to which your comments relates. You can view a list of policies here. If you wish to comment on one of the evidence documents or the policies maps, please state the document title as well as the paragraph or policy reference.

Document / Policy / Paragraph: STRAT7 to STRAT14

Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?	X			
are sound?		X		
comply with the Duty to Co-operate?	X			

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

This part of the plan is not sound, because the proposed housing will generate additional road traffic, particularly on the A4074 between Sandford and the Golden Balls roundabout, and on the A415 west of Clifton Hampden, through Culham and through Abingdon. The measures indicated (safeguarded road schemes) will not prevent severe congestion on these lengths of roads.

Q8. Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

Housing development at these sites will be allowed to proceed only when the provision of road improvements on the A4074 and the A415, necessary to prevent congestion, has been secured.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q11. Would you like to comment on another policy or paragraph?

No
