Dear Sirs

**RE: NDP CALL FOR SITES**  
**LAND ADJACENT TO FAIRVIEW, GALLOWSTREE COMMON**

We understand the call for sites has only recently closed. We have been recently asked to look at the potential for residential development at the above site, and ask that you consider the site in your assessments. We have also copied in SODC directly with the same form, so the site can be put forward for further assessment.

It would be really useful to come and talk to the NDP Committee to explain our proposals and discuss wider issues and concerns. Could you advise who would be the most appropriate to contact, please?

Thank you for your help.

Yours faithfully
