Subject: Individual response to SODC Planning about the Local Plan 2034.

With reference to Strat 12 Northfields I am responding to object to the inclusion of the Northfield housing site in the Local Plan 2034 because I have never been consulted about this at any earlier stage in the development of this Local Plan.

I object to the use of this site in the Green Belt near Horspath because it is important to keep this land open which separates the village of Horspath from the industrial zone of Cowley. I want to Live in [REDACTED] because it is a separate village, so I do not want SODC to make [REDACTED] into a suburb of Cowley. I object to the building of the Northfield housing estate on this part of the Green Belt near Horspath because I like the beautiful views of the rural landscape from my home and the direct access to it . By putting the Northfield housing estate here would certainly harm the landscape, the wild animal habitat, the general rural environment and our enjoyment of it.
