Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?			X	
are sound?		X		
comply with the Duty to Co-operate?		X		

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

I am very unhappy about building on AONB, it is very destructive and without any concerns for future generations. I am also very concerned about developments by the very busy roads as it is detrimental to health, pollution from A roads causes severe asthma in children and dementia in elderly populations. It is well documented by many medical studies done. The Chiltern Conservation Board is failing in their duty to preserve AONB by not objecting to development. Their attitude to conserving AONB is cavalier and influenced by pushy eloquent nimbys and inept Parish Council. A clear example of it is an AONB site in south of Newnham Manor, Crowmarsh Gifford. The SODC is not following the new NPPF policy guidance.

Q8. Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

I think, it should be that building on AONB is not allowed and it shouldn't be allowed to have financial benefits to pay for things that OCCD has a statutory duty to provide, e.g. Crossings on very busy and dangerous roads. AONB cannot be destroyed, it has to be vigorously protected.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q11. Would you like to comment on another policy or paragraph?

No
