Do you consider the Local Plan and supporting documents:

(1) are legally compliant

Yes

No

Don't know

(2) are sound

Yes

No

Don't know

(3) comply with the Duty to Cooperate

Yes

No

Don't know

Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

Plans are not compliant because there are not exceptional circumstances for this amount of housing

Only 1 mile from Abingdon, which would be a new Town on Green Belt Land and it would not help the Housing shortage for affordable homes and Social Homes, also the traffic in mornings and evenings is already very bad, I feel that the Council only wish to have these plans passed is for monetary gains ie from extra council tax from private buyers and also monies from government for building houses.

(Continue on page 4 if necessary)

Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination).

It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.
