Q5. For comments on the Local Plan, please provide the paragraph or policy to which your comments relates. You can view a list of policies here. If you wish to comment on one of the evidence documents or the policies maps, please state the document title as well as the paragraph or policy reference.

Document / Policy / Paragraph: STRAT 9

Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?		X		
are sound?		X		
comply with the Duty to Co-operate?		X		

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

The plans are not compliant with government policy for protecting green belt land and there are no exceptional circumstances as there is no need for this amount of houses in this area and councillors were forced to agree plan also I believe the council is wanting these plans approved for their own monetary reasons ie possible more council tax and money from government

Q8. Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

Stat 9 should be removed from plan as what amounts to a new town so close to Abingdon is ridiculous as it will not help in a shortage of housing at affordable prices or for social housing as they will be far too expensive, also the traffic is already very bad in mornings and evenings. The inspector needs to visit site to see traffic in a working week when schools are open

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q11. Would you like to comment on another policy or paragraph?

No
