Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

The display boards that you used for the consultation meeting I saw in Thame on the 5th February under 'Working out what's left' and 'How we are meeting this need' states that 'the new local plan has to find land to accommodate 7,049 homes.' However, the Local Plan then goes on to identify land for 12,739 homes, an uplift of 81%! This seems to be an unreasonable and unnecessary uplift.

I haven't been able to find a reasoned justification for this uplift. I was told at the Thame exhibition that one of the reasons for the uplift is the necessity to guarantee a 5 year land supply to meet the requirements of the NPPF. However, there are many variables which are likely to affect housing land allocations in the future. These include proposals arising from the Oxfordshire Growth Deal, the implications of the Oxford to Cambridge Corridor and the route of the unnecessary traffic generating Expressway.

It would therefore seem prudent and sensible to allow for these contingencies through a review of the Local Plan after 5 years and reappraise the land allocation process at that time.

(Continue on page 4 if necessary)

Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination).

It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

Further clarification needed to justify the 81% uplift in housing numbers, and the need to review the Local Plan in 5 years to take account of proposals not yet made for the Oxfordshire Growth Deal, and the Oxfordshire to Cambridge Corridor/Expressway.

Would you like to participate at the oral part of the examination, which takes place as part of the examination process? *
