Document / Policy / Paragraph: Northfield housing site in the local plan 2034

Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?		X		
are sound?		X		
comply with the Duty to Co-operate?		X		

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

1. "I am responding to object to the inclusion of the Northfield housing site in the Local Plan 2034 because I have never been consulted about this at any earlier stage in the development of this Local Plan."
 2. "I object to the use of this site in the Green Belt near Horspath because it is important to keep this land open which separates the village of Horspath from the industrial zone of Cowley. I want to live in Horspath because it is a separate village, so I do not want SODC to make Horspath into a suburb of Cowley."
 3. "I object to the building of the Northfield housing estate on this part of the Green Belt near Horspath because I like the beautiful views of the rural landscape and the direct access to it on foot from the village, and putting the Northfield housing estate here would harm the landscape and rural environment, and my enjoyment of it."
- I am requesting that Northfield is completely taken out of this Local Plan 2034.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

Q11. Would you like to comment on another policy or paragraph?
