Document / Policy / Paragraph: STRAT7

Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?		X		
are sound?		X		
comply with the Duty to Co-operate?		X		

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

My concerns for STRAT 7 are as follows and I full support the comments already submitted by our Parish Council:

1. collateral damage to the surrounding villages if the Chalgrove Airfield is developed. This is a considerable distance from the city and will dramatically change the rural setting of the surrounding villages and countryside.
2. This will impact on the small village lanes in the surrounding villages which are already too busy. The rural villages here are used by horses, people walking their dogs and the additional traffic would destroy the lives of local villagers (therefore contradicting objection 1.2).
3. Contradiction to paragraph 6/2 in STRAT 4 with regard to public transport and connections; this proposed development is not close to a rail connection.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q11. Would you like to comment on another policy or paragraph?

No
