Q5. For comments on the Local Plan, please provide the paragraph or policy to which your comments relates. You can view a list of policies here. If you wish to comment on one of the evidence documents or the policies maps, please state the document title as well as the paragraph or policy reference.

Document / Policy / Paragraph: STRAT12

Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?	X			
are sound?		X		
comply with the Duty to Co-operate?	X			

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

I think the way Oxford is creeping towards Horspath and Garsington is not good. These villages are in danger of losing their identity.

Q8. Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

You will need to allow for adequate parking for each dwelling. A bus route into Oxford is OK for going to the nearest shops but not good for visiting the doctor, taking the cat to the vet or going to hospital. Any journey in Oxford involving two buses will take at least an hour. So, to my mind, the normal parking allocation in the latest Oxford plan is not adequate for any location with only one bus route.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q11. Would you like to comment on another policy or paragraph?

No
