Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?		X		
are sound?		X		
comply with the Duty to Co-operate?		X		

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

Building on greenbelt is against the governments National Planning Policy Framework and current proposals do not comply with 'exceptional circumstances'

Implications for traffic, congestion, pollution will be disastrous

Stating that the greenbelt will be defended by building on the greenbelt and providing a new boundary of trees is contradictory and specious

There has been no proper consultation or opportunity to comment on the major change in SODC housing policy

Threats to sites of SSI, including Sydlings Copse and College Pond

Q8. Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

Identify capacity on non greenbelt, non SSI sites

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q11. Would you like to comment on another policy or paragraph?
