Q5. For comments on the Local Plan, please provide the paragraph or policy to which your comments relates. You can view a list of policies here. If you wish to comment on one of the evidence documents or the policies maps, please state the document title as well as the paragraph or policy reference.

Document / Policy / Paragraph: local plan 2034

Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?		X		
are sound?		X		
comply with the Duty to Co-operate?		X		

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

Never been consulted on this plan. The green belt around Horspath will be eroded by a money making district and college who have no empathy towards the environment or welfare of current residents of Horspath. The size of the development will engulf Horspath village and take away beautiful surroundings. Democracy is threatened by these two organisations thrusting their plan onto the local people without a care to previously involve them in the decisions. Numerous walkers and nature lovers take the footpath over to Garsington, I presume they'll be walking between semi detached houses when the estate is built - great. Agricultural land will be dismissed as superfluous, we can't eat concrete yet can we ? Not a good plan SODC, 'must try harder' but next time consult the locals.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

Yes

Q11. Would you like to comment on another policy or paragraph?

No
