Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?		X		
are sound?		X		
comply with the Duty to Co-operate?		X		

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

This Plan is not legally compliant. It does not meet the consultation requirements as it is a completely new plan from those previously consulted upon. It has higher housing numbers. Furthermore it is not sound as it is not internally consistent. STRAT2 says that 23,000 homes will be planned for. And yet, Table 5c shows that 28,500 are planned."

This Plan does not fulfill the Duty to Cooperate – that duty is to supply land for Oxford's unmet need. Oxford has updated its Objectively Assessed Need and needs half the number of homes compared with the previous target; there is no longer an unmet need for Oxford.

This Plan is not sound. The homes are not deliverable. We would need to build 1,600 homes per year which cannot be achieved. Since 2011, we have been building 600 a year.

Vitally, the plan is seriously out-of-date. It does not acknowledge the current method for assessing Objectively Assessed Need. Our new OAN is for 10,000 homes. This plan has a target for three times as many homes as we need.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

Yes
