Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?			X	
are sound?	X			
comply with the Duty to Co-operate?			X	

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

There is no chance to be independent in the local plans ...as an independent developers the future planning for the whole area is favoured for the mass development  
Drainage schemes should be enforced as a whole not as and when suits the area... landfill has one plan for environmental issues and the independent is expected to be able to comply.  
The Highways is the same sinario, Due to flooding we demolish, apply to replace one with 2 that is granted and then lapsed and then told too much traffic ... is this far ..see Any Heron

Q8. Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

Mobility of labour needs to be in proportion with employment and accommodation that needs education and health systems in place ... regeneration is vital

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q11. Would you like to comment on another policy or paragraph?

No
