are sound?		X		
comply with the Duty to Co-operate?			X	

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

I am responding to the inclusion of the Northfield housing site in the local plan 2034.  
It states that I have been consulted, At no time have I been consulted or any member of my family!  
In fact there has been no adequate or meaningful consultation by SODC  
I object to the use of important green belt land for the use of this development especially on land that floods frequently and provides a buffer between the village of Horspath and the Industrial area of Cowley .  
I moved [REDACTED] because it was a village and had a countryside view, I do not want SODC to make Horspath into a suburb of Cowley  
I request that Northfield be removed from the Local plan 2034

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

Yes

Q11. Would you like to comment on another policy or paragraph?

No
