Document / Policy / Paragraph: H4 and Table 5f

Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?		X		
are sound?		X		
comply with the Duty to Co-operate?		X		

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

Goring is in an Area of Outstanding Natural Beauty, and this has not been taken into account. The Goring Neighbourhood Plan is based on an increase in number of houses of 94. There is no evidence that local needs are any greater than this. Goring's character would change with an increase of well over 200 houses, yet in an AONB such a large increase should only be allowed if Goring benefits from it.

Q8. Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

There number of extra houses for Goring should be reduced to be in line with the Neighbourhood Plan.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q11. Would you like to comment on another policy or paragraph?

No
