I do not feel that I am sufficiently informed to make a reasoned judgement to any of the questions above.

(NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

I am opposed to "45 dph density for future housing developments in large villages" proposed in the draft plan. I think that it is inappropriate to impose a single condition for an entire large village irrespective of the individual characteristics of the village.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q11. Would you like to comment on another policy or paragraph?

Q14. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

The plan promotes excessive numbers of new homes beyond what Government formulae require. Furthermore, SODC's overall housing numbers are far above local needs. Using the Government's preferred housing projections suggests a housing need of 15,000 new homes in South Oxfordshire, not the 22,000 as stated in the plan.

Sonning Common's adopted Neighbourhood Plan already allocates 195 new homes plus reserves. Now we are informed by SODC that we need to make room for another 108. How is this justified given that the overall new homes requirement across the district is based on what I regard to be untested assumptions?

Q24. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q25. Would you like to comment on another policy or paragraph?
