are sound?		X		
comply with the Duty to Co-operate?		X		

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

The needs of Wallingford, Cholsey and Crowmarsh villages have not been taken into consideration as has the expansion of this area. The facilities here are inadequate and travelling to Didcot or Berinsfield is unacceptable. We need local provision for local people.

Q8. Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

Wallingford need an indoor swimming pool, new park and recreation facilities for all ages babies to teens. There is very little amenities for teenagers as is.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q11. Would you like to comment on another policy or paragraph?

No
