Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?		X		
are sound?		X		
comply with the Duty to Co-operate?			X	

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

The SODC local would appear to be an entirely new plan (violation of section 18 consultation framework). This is a green belt area and the government's NPPF requires councils to protect green belt areas except in exceptional circumstances (questionably met). The proposed boundary for development of LNBB impinges on two SSSIs at Sydlings Copse and College Pond this could have serious effects on flora and fauna. Solutions for the extra traffic created onto already unacceptably congested roads (eg Bayswater Road) are not credible.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q11. Would you like to comment on another policy or paragraph?

No
