Document / Policy / Paragraph: STRAT13

Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?		X		
are sound?		X		
comply with the Duty to Co-operate?			X	

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

This policy of developing land and road structure north of Bayswater brook would be detrimental to the green belt as well as the SSSI's at Sydlings Copse and College Pond. This plan to build a road from the Elsfeld road to Sandhills will destroy the current rural nature of this area. I am South Oxfordshire-born and bred and am totally opposed to this proposal.

Q8. Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

It is not necessary to have another major road when the World policy is to cut carbon emissions! I would also challenge the necessity for so much extra housing.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

Yes

Q11. Would you like to comment on another policy or paragraph?

No
