In Part 4: Local Leisure Facilities, Final Report Dec 2016, Section 3 - Outdoor Bowls:

There appears to be no recognition that the sport of Outdoor Lawn Bowls is in decline. Although the Recommendations are not affected by this omission, additional recommendations may be forthcoming if the analysis preceding them was different.

The report assumes player numbers increase because the people in the age range who are likely to play bowls also increase. The current reality is that at best, playing members may remain the same despite support from the Bowls England community.
