Subject: SODC housing proposals and road plan

Dear Sir

I write from [REDACTED] Please note that I entirely concur with Stanton St John Parish Council's objections to the proposals for Barton West, Wick Farm, Bayswater & Barton Mill East. I will not repeat their objections, but I wish to place on record my objection in the strongest terms to any incursion on Green Belt land. In my view the destruction of Green Belt land that the "Expressway" plans involve is illegal, and dangerously destructive of natural resources that will never be replaced.

Your faithfully
Professor Robert Hewison
