Re: Individual Response to SODC Planning about Local Plan 2034

Dear Sir/Madam

With reference to STRAT 12 Northfield, I am responding to object to the inclusion of the Northfield housing site on Local Plan 2034 because I have never been consulted about this at any earlier stage in the development of this Local Plan. I object to the use of this site in the Green Belt near Horspath because it is important to keep this land open which separates the village of Horspath from the industrial zone of Cowley. I want to continue living in [REDACTED] because I like the beautiful views, and the direct access to it from the village, therefore putting the Northfield housing estate here would harm the landscape & rural environment, and our enjoyment of it, and the sense of community, which is why we moved here 19 years ago. Along with the massive increase of traffic, in an already busy area.

Please may I request that Northfield is completely taken out of this Local Plan 2034.

I feel very passionate about this village and want it to stay a village. Our family love living here, and I want my grandchildren to enjoy every minute as we have.

Your faithfully

Mrs Shauna Hilland, Mr John Hilland, and Jack & James Hilland
