Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?		X		
are sound?		X		
comply with the Duty to Co-operate?		X		

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

- a. proper consultation ( under reg 18 has not taken place. I was unaware of the consultation meeting at Sandford village hall on 24 th Jan until after the event.Consultation can only be valid if meetings are publicised.
- b. There is no evidence of any 'exceptional circumstances' that would allow the Grenoble Road Site to be removed from the Green Belt.
- c. Insufficient co operation with other agencies eg Highways England and too little consideration of transport and sustainability of the local environment.

Q8. Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

- a. Proper consultations should be made and well publicised in advance.
- b. The Grenoble Road site should remain in the Green Belt.  
The Green Belt land South of Grenoble Road should be taken out of this Local Plan 2034.  
The proposed number of new houses far exceeds what what would be sustainable in terms of transport and the already congested roads in the locality.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q11. Would you like to comment on another policy or paragraph?

No
