Document / Policy / Paragraph: PLAN 2034

Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?	X			
are sound?		X		
comply with the Duty to Co-operate?	X			

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

The proposed East-West Expressway route has yet to be decided, the proposed plan for North of Bayswater brook could be in conflict with this plan in due course, also this area is often flooded erratically by heavy rainfall, hence Bayswater Brook breaks its banks due to blocked watercourse further down stream.

Finally access to this site is not acceptable, for these reasons, there is only two ways off of this site, one via Barton estate using Waynfilete Road, and secondly via either of the Sandhills roads (Burdell Avenue or Delbush Avenue) to exit the site onto a very busy A40 trunk road opposite a very busy Park and Ride site.

Q8. Please set out any modifications you consider necessary to make the Local Plan legally compliant or sound, having regard to your comments above. (NB - any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you could put forward your suggested wording of any policy or text as precisely as possible.

Withdraw the Bayswater brook north plan until more is known about the Expressway route.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

No

Q11. Would you like to comment on another policy or paragraph?

No
