Q6. Do you consider the Local Plan and supporting documents:

	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?		X		
are sound?		X		
comply with the Duty to Co-operate?		X		

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

The plan is not legally compliant. It does not meet the consultation requirements as it is a completely new plan from those previously consulted upon. It has higher housing numbers furthermore it is not sound as it is not internally consistent. Strat2 says that 23,000 will be planned for and yet table 5c show that more than 28,000 are planned. This plan does not fulfill the duty to co-operate, that duty is to supply land for Oxford's unmet need. Oxford has updated its objectively assessed need and needs half the number of houses compared with the previous target. There is no longer an unmet need for Oxford. The plan is not sound. The houses are not deliverable. We would need to build 1600 homes per year which cannot be achieved. Since 2011 we have been building 600 a year. Vitally the plan is seriously out of date. It does not acknowledge the current method of assessing need. We only need 10,000 homes. The plan has 3 times as many as we need

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

Yes

Q11. Would you like to comment on another policy or paragraph?

No
