	Yes	No	Don't know	Not answered (OPTION HIDDEN FROM LIVE SURVEY)
are legally compliant?		X		
are sound?		X		
comply with the Duty to Co-operate?		X		

Q7. Please provide further information in relation to the previous question. e.g. why you do or do not consider the Local Plan to be legally compliant or sound.

This Plan is illegal - it does not meet the consultation requirements as it is a completely new plan from those previously consulted upon. It has higher housing numbers (28,500 rather than 23,000) and has opened up huge swathes of Green Belt land that did not appear in earlier plans. This is in contravention of the National Planning Policy Framework. It should go to full consultation on its substance for reconsideration by Councillors. This Plan does not fulfill the Duty to Cooperate - that duty is to supply land for Oxford's unmet need. Oxford has updated its Objectively Assessed Need and needs half the number of homes compared with the previous target; there is no longer an unmet need for Oxford. This Plan is not sound. The homes are not deliverable. We would need to build 1,600 homes per year which cannot be achieved. Since 2011, we have been building 600 a year.

Q10. Would you like to participate at the oral part of the examination, which takes place as part of the examination process?

Yes

Q11. Would you like to comment on another policy or paragraph?

No
