Individual response to SODC Planning about Local Plan 2034

Jeanne Jackson, [REDACTED]

I do not find the local plan 2034 legally compliant or sound.

With reference to STRAT 12 Northfield I am responding to object to the inclusion of the Northfield housing site in the Local Plan 2034 because I have never been consulted about this at any earlier stage in the development of this Local Plan.

I object to the use of this site near Horspath in the green belt as it separates the village of Horspath from the industrial zone of Cowley. I do not want Horspath to become a suburb of Cowley, it is a village with a strong identity. I ask that Northfield be taken out of this Local Plan.

Traffic is already congested in this area and the Northfield estate of 1800 homes would put so much pressure on the existing roads.

The council should consider using all sites within the city to provide housing for the city.

Kind regards, Jeanne Jackson
